

GREETERS

Arrive at church at least 20 minutes prior to the service.

One greeter should be stationed at the front door and another at the side south door.

Welcome members, friends and guests.

Encourage all visitors to sign the Guest Register.

Try to make contact with the visitors and introduce them to other members of the congregation.

Summer:

During July and August, only one Greeter and one Usher is formally assigned. Once the service begins, the Greeter becomes the second Usher.
